What we're going to do is look at a painting. Father, you said we should let our thanksgiving be more than our asking. Father, this evening we come together as a saying.

We come together before you when we say thank you, Jesus. Thank you, our father. Thank you for the air you give us day in and day out.

Thank you, our Lord, for the life you have given us, oh Lord. Father, we thank you. Father, we thank you for everything you do for us.

Laba Sikada badabo sida ha, liba daba sikada badabo sada ha, In the name of Jesus. In the name of Jesus. We are asking the Lord to forgive our sins and cleanse us from everything that is unclean.

He says even the unrighteousness on earth is like a filthy rag before Him. We might not even sometimes know that maybe we've offended God, but we are asking Him to have mercy on us, to forgive us from anything that we've committed. Shall we pray? We pray that anything that is making us unclean, anything that is making us not closer to You, Father, You let Your Holy Spirit, You forgive all our sins, You cleanse us from all righteousness.

In the name of Jesus, we are praying and telling God that we need His presence right now. We are asking the Holy Spirit to descend from His throne and come down right now. He should direct us in what to do.

Even the words we are going to listen, He should let the Spirit speak into our ears. Without the Spirit, we are just not listening to anything. But when the Holy Spirit descends from His throne, He says He will be our comfort.

He says that He will teach us. He is our teacher. And when He descends down, He comes with a lot of gifts.

I don't know what you are expecting from the Holy Spirit. We are not coming here and going back to sin. If the Holy Spirit is here and nobody calls the sin, we are asking Him, Oh Lord, descend from Your throne.

Descend and come down. Holy Spirit. Holy Spirit.

We need You. We need Jesus. Holy Spirit.

Holy Spirit. Amen. Holy Spirit, we need You.

We need You to direct us in what to do. We need You to fill us this evening. We need You to

break our ceasar.

We need You to break our ceasar. Father, You said You are the teacher. You said You are the comforter.

This evening, we've come with our request. You said we should come unto You. I just pray to Jesus.

We have come, oh Lord. We have come, Jesus. We have come, our Father.

Come and sit down in Jesus' name. Holy Spirit. Thank You, Jesus.

Thank You, Father. Hallelujah. Thank You, Father.

Thank You, thank You, Father. At this moment, we must think about how big our cause is. He said it's the beginning and the end.

There is nothing that can be compared unto this God. That God, that's at the mouth of the lions in the lion's den. The king went to Daniel and said, Daniel, as the God is said, loyal.

This evening, we have a God that's able to shut them out of life. A God that does wonders in miracles. He has a big money.

I don't think we will have that amount today. But that God possesses plenty. He has ascended us.

He has covered us. We have life. I want you to let that God know how big He is.

I want you to think from the depths of your heart. That angels bow before Him. And that is a mighty God.

From the depths of your heart, let God know how big He is. Father, You are great. You are mighty.

Nothing can be compared unto You. Angels bow before You day in and day out. Before Thyself.

He is the God that doesn't lie. He is a miracle. You are out of time.

Oh, Lord. What do you do when you do it? Father, You say it. You say it just once.

Oh, Father in heaven, as we come before You, You are so kind and holy, Lord. We glorify Your name. Angels bow before You in heaven and earth.

Watch as we go, we stand. I say angels bow before Him in heaven and earth. Adore Him.

Watch as we go, we stand. I say angels bow before Him in heaven and earth. Adore Him.

Watch as we go, we stand. Watch as we go, we stand. I say angels bow before Him in heaven

and earth.

Adore Him. Watch as we go, we stand. I say angels bow before Him in heaven and earth.

Adore Him. Watch as we go, we stand. I say angels bow before Him in heaven and earth.

Adore Him. Watch as we go, we stand. I say angels bow before Him in heaven and earth.

Adore Him. Watch as we go, we stand. I say angels bow before Him in heaven and earth.

Watch as we go, we stand. I say angels bow before Him in heaven and earth. Adore Him.

Watch as we go, we stand. Watch as we go, we stand. This evening, I'm encouraging you to say a word of prayer in honor of the man-servant of God that the Lord should prevail in him.

Father, you are using him at this end time. Father, may he be solutions to problems. May he be the wise speaker.

May he bring answers to people's problems. All that we have met together this evening, to cry unto you, O God. May we not go the same.

We've come to draw, draw, draw, draw from you again. From the rising of the sun to the setting of the sea, your name shall be hallowed. From the rising of the sun to the setting of the sea, your name is to be hallowed.

Ah, goodnight. From the rising of the sun to the setting of the sea, your name is to be hallowed. Sometimes it's just, it's just good to just worship his name.

Sometimes we just come before him, not asking him of anything. And just exult in the king of kings and the Lord of lords, the I am that I am, the praise of peace, the Lord of lords. We put, we put aside our burdens.

We put aside our needs and wants and just to exult in the Bible says he seeks them that worship him in truth and in spirit. He looks for them. He searches for them that worship him in truth and in spirit.

And so tonight I want you to just out of your hearts, out of the depths of your heart, you want to glorify your king. You want to glorify your maker. You want to exalt his name because there is not like him because he is bored and bored alone because he is the creator of the universe.

The Bible calls him the father of all creation because he is the, I am that I am. There is no one before him and after him, there will be none. He is so good.

Can you lift up your voice and begin to exalt him? Begin to give him all the glory. He deserves it. He deserves it.

Can you begin to bless his name? Can you lift up your voice and bless his name? In the mighty

name of Jesus. Like you, Lord, there is none compared to your God. A glorious God, beautiful King, Excellent God, we bow before your throne.

Glorious God, beautiful King, We bow before your throne, bow before your throne, worship at your feet, we bow before your throne, you are the glorious God. We bow before your throne, worship at your feet, we bow before your throne, you are the glorious God, your name is Alpha, Omega, Ageless, Sangeless, Almighty, Jehovah, Alpha, Luminos, and Omega, you are the glorious God, we bow before your throne, you are the
